Dr. Terry D. Carlyle – current director

As a resident of Jagare Ridge, I am letting my name stand for the upcoming Board of Directors of Jagare Ridge HOA. Currently I serve as President of the Tapestry Jagare Ridge HOA (Huckell Place) and continue to be involved in the larger JR HOA governance. I bring many years of board work and association work and governance ranging from my involvement with local, provincial and national dental and orthodontic organizations, and also with some international professional organizations. Locally, I now serve as Secretary of Trout Unlimited Canada (Northern Lights Fly Fishes chapter) here in Edmonton, and have served 12 years in various committee and board positions of the Edmonton Scottish Society. As a retired orthodontist, who moved to Jagare Ridge, in 2019, I have seen the progression of development continue at a rapid pace and look forward to the future development of the “western part” of the planned development over the next number of years. Thanks for the opportunity to serve.

Rebecca Mason – current director

Hello neighbours, I am a proud resident of our community, where I live with my family and our dogs. Some of you that know me know, I can often be seen walking my dogs around the neighbourhood each day, which gives me the opportunity to stay connected to our community and keep an eye on areas that may need attention. Whenever I notice maintenance concerns or deficiencies, I make it a priority to report them so they can be addressed promptly.

I have had the privilege of serving as a Director on the Homeowners Association Board for the past two years and am hoping to continue serving for a third term. As a parent with children who enjoy our community amenities and spaces, I care deeply about maintaining a safe, welcoming, and enjoyable neighbourhood for all residents.

Over the past two years, I have worked to ensure resident questions and concerns are addressed in a timely manner, have been an active participant at meetings and have been committed to responding to emails and communications as quickly as possible. I believe open communication and community involvement are essential to a successful HOA.

It has been an honour to serve our beautiful community, and I would appreciate the opportunity to continue contributing as a Director for another term.

Esther Elwi – current director

I'm a proud resident of Jagare Ridge since 2015, I was born and raised in Edmonton and am deeply committed to building strong and connected communities. I currently serve as Director of Internal Communications for Alberta Health Services, and bring more than a decade of experience across government, non-profit, and private sectors. My career began as a news reporter, and since then I've worked extensively in corporate services with a focus on transparency, collaboration, and engagement. As a mother of two and long-time homeowner in this community, I'm eager to contribute meaningfully to our neighbourhood and help ensure Jagare Ridge continues to be a thriving and welcoming place for all.

Alondra Majid – new director

Alondra Majid is a dedicated Project Manager who has proudly called the Heritage Valley community home for over a decade. Professionally, Alondra specializes in implementing continuous improvement strategies to deliver efficient, structured results. Bringing this same collaborative energy to her personal life, she is an active parent and an avid dog enthusiast. Alondra is deeply committed to fostering a safe, active, and welcoming neighborhood, believing that the strongest communities are built together through shared effort.
